## Friday, February 14<sup>th</sup>

- Valentine Day - Valentine's Day, also called Saint Valentine's Day or the Feast of Saint Valentine is celebrated annually on February 14. There are numerous martyrdom stories associated with various Valentines connected to February 14, including a written account of Saint Valentine of Rome's imprisonment for performing weddings for soldiers who were forbidden to marry and for ministering to Christians persecuted under the Roman Empire. According to legend, Saint Valentine restored sight to the blind daughter of his judge, and he wrote her a letter signed "Your Valentine" as a farewell before his execution. The Feast of Saint Valentine was established by Pope Gelasius I in AD 496 to be celebrated on February 14 in honour of the Christian martyr, Saint Valentine of Rome, who died on that date in AD 269.
