National Doughnut Day

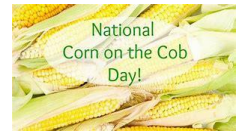

JUNE 1: NATIONAL DOUGHNUT DAY is always the first Friday in June. National Doughnut Day was established in 1938 by the Chicago Salvation Army to raise much-needed funds during the Great Depression, and to honor the work of World War I Salvation Army volunteers who prepared doughnuts and other foods for thousands of soldiers.

JUNE 5: WORLD ENVIRONMENT DAY was created by the United Nations General Assembly in 1972. It focuses attention on important environmental issues. It is one of the principal vehicles through which the United Nations stimulates worldwide awareness of the environment and enhances political attention and action."

JUNE 7: VIDEO CASSETTE RECORDER (VCR) DAY celebrates the VCR tape cassette and VCR players. The VCR cassette contained magnetic tape, which you could record on and erase over and over again. Just about everyone had a VCR player. You could tape TV shows and movies on your home television, for playback later. The marketplace offered VCR cassettes with recent movies, available for purchase. VCR cassettes also were used in recording movies in home video cameras. They largely replaced long popular 8mm and Super 8mm movie film, for the average amateur user. *Anyone still have a VCR recorder or tapes? (I do!)*

JUNE 11: NATIONAL CORN ON THE COB DAY encourages us to celebrate and enjoy this tasty summer time treat, boiled, steamed, or grilled. Did you Know Sweet Corn originated in Mexico? It dates back to about 9,000 BC.

JUNE 12: NATIONAL PEANUT BUTTER COOKIE DAY gives us a good reason to bake a batch and chow them down with a glass of milk. The biggest promoter of peanuts was George Washington Carver. He wrote about growing them and in 1910 he published a book with 105 recipes using peanuts. It did include a recipe for peanut butter cookies! Enjoy a batch

JUNE 15: SMILE POWER DAY is a day to feel the power of a smile! Give everyone you see a big, friendly smile! A smile is contagious, so put on your smile and add years to your life, and help change someone's mood. !

JUNE 19<sup>th</sup>: JUNETEENTH DAY OR FREEDOM DAY celebrates and symbolizes the end of slavery in the United States. On June 19, 1865 ("June" & "nineteenth") all slaves were finally freed. The formal end of slavery was marked by the passing of the 13<sup>th</sup> amendment of the constitution.

JUNE 26: BEAUTICIAN'S DAY is a chance to show your appreciation to those who make you look beautiful and sunning!

JUNE 21: SUMMER SOLSTICE is the longest day of the year. It is the start of summer!

JUNE 29: HUG HOLIDAY DAY encourages us to give hugs to those who need them, elderly, sick & invalid and lonely people and anyone who need the warmth, cheer and love that a hug provides.
