OCTOBER 5: World Smile Day celebrates the ever popular yellow smiley. The intent of World Smile Day is to do an act of kindness, or help one person to smile. The intent of World Smile Day is to do an act of kindness, or help one person to smile.

OCTOBER 7 – 13: Fire Prevention Week is always celebrated the week that October 9th falls (Fire Prevention Day). According to legend, on October 8, 1871, Mrs. O'Leary was in her barn, milking her cow. The cow kicked over a lamp, which started the Great Chicago Fire of 1871. The fire burned for over 27 hours. When it was over, more than 300 people were killed, 100,000 people were left homeless, and over 17,000 structures were destroyed. The Great Chicago fire sparked major efforts in fire prevention. In 1920, President Woodrow Wilson proclaimed Fire Prevention Week. This is a good time to check Smoke Alarms and practice a fire drill.

OCTOBER 8: Columbus Day, which is on the second Monday of October, remembers Christopher Columbus' arrival to the Americas on October 12, 1492. For decades and decades, American history books and school teaching, told us Christopher Columbus discovered America. What those books and teachings did not give credit, to was the fact that Native Americans were already here. Native Americans truly discovered America. It also gave little mention, to the fact that Nordic explorers had travelled down the eastern coast of Canada hundreds of years before Columbus arrived. Today, we celebrate Columbus Day for what it accurately is. Columbus did discover the existence of the New World for Europeans who until then, believed the world was flat and ended somewhere in the Atlantic. And, the focus is now more about discovery of the "New World", and less upon Columbus himself.

OCTOBER 14: National Dessert Day is a day filled with yummy treats! For just one day, forget about the calories and high fat content in many desserts. Then, tomorrow you can go back to your diet. Make sure to have dessert with family or friends.

OCTOBER 16: Boss's day is a day to give your boss the appreciation that he or she truly deserves. Some attributes people say make for the best boss are: fair, honest, understanding, approachable and a good communicator. The origin of Bosses Day dates back to 1958. Patricia Bays Haroski, an employee at State Farm Insurance Company in Illinois, registered it with the U.S. Chamber of Commerce. Ms. Haroski chose the date because it was her father's birthday. Who was her boss?her father.

OCTOBER 31: Halloween is an annual holiday celebrated each year on October 31. It originated with the ancient Celtic festival of Samhain, when people would light bonfires and wear costumes to ward off ghosts. In the eighth century, Pope Gregory III designated November 1 as a time to honor all saints; soon, All Saints Day incorporated some of the traditions of Samhain. The evening before was known as All Hallows Eve, and later Halloween. Over time, Halloween evolved into a day of activities like trick-or-treating, carving jack-o-lanterns, festive gatherings, donning costumes and eating sweet treats.
